

# **YOUTURN LIMITED**

**ABN 58 114 781 065**

**Financial Report – For the year ended 30 June 2022**

**Youturn Limited  
Directors' report  
30 June 2022**

The directors present their report, together with the financial statements, on the company for the year ended 30 June 2022.

**Directors**

The following persons were directors of the company during the whole of the financial year and up to the date of this report, unless otherwise stated:

Paula Holden  
Mitchell Evans  
Greg Livingstone (resigned 12/11/2021)  
Dr Oscar Modesto Ramirez  
Katherine Acheson  
Aaron Minton (appointed 16/11/2021)  
Georgia O'Keeffe (appointed 25/01/2022)  
Scott Orpin (appointed 19/10/2021)

**Objectives**

Our Vision is to be trusted to create safe, inclusive and supportive communities,  
Our mission is to support young people in their times of need to live a healthy and meaningful life.

**Strategy for achieving the objectives**

The company is principally supported through state and federal government grants.

**Principal activities**

Youturn provides health and social services supporting young people and their families. The principle activities of the company during the financial year traverse across four health and social service sectors; Youth Homelessness, Child Safety, Mental Health and Suicide Prevention. The company describes these services by the sectors in which they operate.

*Youth Homelessness:*

The company employs dedicated Case Managers and support staff to work with young people and provide a range of homelessness services committed to supporting; young people whose living conditions make it intolerable to remain at home and young families who can't afford secure and appropriate housing. These Services are funded by the Queensland Department of Communities Housing and Digital Economy and Department of Social Services (Federal).

*Child Safety:*

The company supports young people and families who have been affected by a range of unique challenges that have the potential to impact on the safety of children and young people. Through the delivery of child safety services the company supports; children who cannot remain living safely with their parents and vulnerable families to help them to maintain the family unit (where the young person is safe). These services are funded by the Queensland Department of Children, Youth Justice and Multicultural Affairs.

*Mental Health:*

The company is the lead agent for five headspace centres across Southern Queensland that focus on early intervention for young people through a range of mental health services to ensure they receive support. Funding for these headspace centres is obtained on a regional basis through the Primary Health Networks and Medical Benefits Schedule Billing.

*Suicide Prevention:*

The company delivers StandBy Support After Suicide services across Australia to people bereaved and impacted by suicide. This StandBy service is Australia's leading provider of support after suicide, providing free face-to-face and telephone support to individuals, families, workplaces, groups and the wider community. This service is primarily funded by the National Suicide Prevention Leadership and Support Program (Federal) and NSW Ministry of Health (New NSW Funding).

Each of these services have the prime objective of delivering the organisation's mission to support young people in their times of need to live a healthy and meaningful life.

The provision of these services is underpinned by a strategic plan that maps a sustainable pathway to continue best practice, build capacity and extend the organisation's reach within each of the four sectors. This strategy outlines objectives focused around five key result areas; engagement; service excellence; capacity and capability; financial sustainability; and quality and compliance.

**Youturn Limited  
Directors' report  
30 June 2022**

**Performance measures**

The company measures its performance in terms of funds raised, services delivered, clients supported and the number of hours and outcomes delivered for each funding program.

**Information Information on directors**

**Name:** **Paula Holden**  
**Title:** Director and Chair of the Board (appointed as Chair 20 April 2021)  
**Qualifications:** FCPHR  
MBA  
B.Man  
MAICD  
AFIML  
JP (Qual)

**Experience and expertise:** As an established board director and Senior Executive, Paula brings over 25 years' experience in various 'for profit' and 'for purpose' organisations. She has built her professional practice in People and Culture, and Safety, always seeking to build capability and synergise the people experience with the overall business strategy.

Paula is deeply passionate about helping others see their potential in themselves.

Having completed various postgraduate qualifications in human resources, business, strategy and leadership Paula also holds membership with a number of professional associations including fellowship of the Australian Human Resources Institute and a graduate of the Australian Institute of Company Directors.

**Name:** **Greg Livingstone**  
**Title:** Director (resigned as Chair 20 April 2021 and resigned as Director 12 November 2021)  
**Qualifications:** Master of Commerce  
**Experience and expertise:** Greg has worked in Australia and New Zealand and has extensive experience in general management, strategy, finance and HR in a large agribusiness and consumer products company.

Since leaving his corporate role, Greg has worked with a range of organisations in the fields of sustainability, economic development and the support of vulnerable members of the community. He is currently also a non-executive director of The Pinnacle Foundation.

Greg has a Master of Commerce degree from the University of New South Wales.

**Youturn Limited  
Directors' report  
30 June 2022**

**Name:** **Mitchell Evans**  
**Title:** Deputy Chair (appointed Deputy Chair 20 April 2022)  
**Qualifications:** MBA  
Diploma of International Business  
Diploma of Business Administration  
**Experience and expertise:** Mitchell has more than 18 years' experience working within the recruitment and talent acquisition industry across Australia, UK and Germany, 8 of which he ran his own organisation. Mitchell now works as the QLD and NSW Corporate Sales Manager at SEEK, developing SEEKs engagement strategy and working with some of Australia's largest organisations.

Mitchell also currently sits on the Corporate Advisory Board for the Department of Family and Domestic Violence and the Advisory Board for the Department of Employment and Small Business. Mitchell holds a Diploma of International Business, a Diploma of Business Administration and finalizing a Master of Business Administration.

**Name:** **Dr Oscar Modesto Ramirez**  
**Title:** Director  
**Qualifications:** MFT  
PhDPsych  
**Experience and expertise:** Oscar is currently working as an academic, researcher and Course Coordinator at the Australian Catholic University (ACU) and has worked in the education sector for more than 15 years.

Oscar is a registered psychologist with a Masters Degree in Family Therapy and PhD in Psychology. Oscar has more than 20 year experience working in Mental Health settings and in non-for profit organisations where he has held senior roles overseeing a range of services including: post separation, family violence, counselling and psychoeducation, and men's services among others.

Oscar has sat in different community organisation management committee and has a keen interest in organisations that facilitate community growth and improved wellbeing.

**Youturn Limited  
Directors' report  
30 June 2022**

**Name:** **Katie Acheson**  
**Title:** Director (appointed as Director 14 January 2021)  
**Qualifications:** Masters SocSc (International Dev)  
GradDip SocSc (CommServMgt)  
Bach SocSc  
**Experience and expertise:** Katie is the CEO of the Youth Advocacy Centre and the Co-founder of Numbers and People Synergy. With over two decades working on the ground with children and youth, she represents their interests in major state, national and international processes.

Katie has an in-depth and comprehensive understanding of the issues facing children and young people and the benefits that flow from engaging young Australians. This has been developed through her extensive experience in the community sector, various levels of government and globally with international development organisations.

Katie's qualifications include a Master of International Development: Social Policy and Social Development (Manchester University); Graduate Diploma of Community Services Management (Community Education and Development); Associate of Arts (University of the Nations); and a Bachelor of Social Work (Royal Melbourne Institute of Technology).

**Name:** **Aaron Minton**  
**Title:** Director (appointed 16 November 2021)  
**Qualifications:** Bachelor of Information Technology  
MBA  
**Experience and expertise:** Aaron has over 20 years' experience in the technology and supply chain industries, focused on digital capability and business improvement projects across the globe, primarily in Asia Pacific, Europe and the US.

Aaron now works as the Digital Transformation Manager for CHEP Australia, responsible for influencing the global digital agenda and delivering large scale change to the Asia Pacific region.

With a particular interest in mental health, Aaron has worked closely with entrepreneurs in this space, providing support and guidance as they work to deliver digital solutions to today's challenges.

Aaron has a Bachelor of Information Technology as well as Master of Business Administration, both from QUT.

**Youturn Limited  
Directors' report  
30 June 2022**

**Name:** **Scott Orpin**  
**Title:** Director (appointed 19 October 2021)  
**Qualifications:** Master of Commerce  
**Experience and expertise:** With a Master of Commerce degree from the University of Wollongong, Scott has spent more than 20 years in corporate enterprises such as BHP and Rio Tinto and bring extensive leadership experience across many different sectors in the people management, project and change management, safety, risk and culture development fields.

Most recently, he has been in the Not Profit sector with senior roles in Life Without Barriers and MEGT Australia. Scott is passionate about people and making a difference to the lives of others

**Name:** **Georgia O'Keeffe**  
**Title:** Director (appointed 25 January 2022)  
**Qualifications:** Bachelor of Psychological Science  
MBA  
**Experience and expertise:** Georgia is an accomplished business strategist with a decade of innovation in roles that drive large scale change relating to organisational culture, capability, governance, performance and risk management. Most recently she is focusing strategic vision on the development of an enterprise-wide leadership strategy for one of Australia's most significant public sector organisations.

Georgia has a passion for inspiring participation and challenging the status quo for better outcomes. She is a firm advocate for nurturing opportunities for wellbeing in the workplace as in life and promoting change that advances individual aspirations.

Georgia has a Bachelor of Psychological Science and a Master of Business Administration which unified studies in both Australia and France.

**Company secretary**

Robert Owens (Youturn Chief Financial Officer) held the role of Company Secretary up until 9 February 2022.

Daniel Petravicius was appointed Company Secretary on 9 February 2022 and has held the role since this time.

**Meetings of directors**

**Youturn Limited**  
**Notes to the financial statements**  
**30 June 2022**

**Note 1. Significant accounting policies**

The principal accounting policies adopted in the preparation of the financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

**New or amended Accounting Standards and Interpretations adopted**

The company has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

Any new or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

The adoption of these Accounting Standards and Interpretations did not have any significant impact on the financial performance or position of the company.

The following Accounting Standards and Interpretations are most relevant to the company:

*Conceptual Framework for Financial Reporting (Conceptual Framework)*

The company has adopted the revised Conceptual Framework from 1 July 2021. The Conceptual Framework contains new definition and recognition criteria as well as new guidance on measurement that affects several Accounting Standards, but it has not had a material impact on the company's financial statements.

*AASB 1060 General Purpose Financial Statements - Simplified Disclosures for For-Profit and Not-for-Profit Tier 2 Entities*

The company has adopted AASB 1060 from 1 July 2021. The standard provides a new Tier 2 reporting framework with simplified disclosures that are based on the requirements of IFRS for SMEs. As a result, there is increased disclosure in these financial statements for key management personnel and related parties.

**Basis of preparation**

These general purpose financial statements have been prepared in accordance with the Australian Accounting Standards - Simplified Disclosures issued by the Australian Accounting Standards Board ('AASB'), the Australian Charities and Not-for-profits Commission Act 2012 and Victorian legislation the Fundraising Act 1998 and associated regulations and the Corporations Act 2001, as appropriate for not-for-profit oriented entities.

*Historical cost convention*

The financial statements have been prepared under the historical cost convention.

*Critical accounting estimates*

The preparation of the financial statements requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the company's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements, are disclosed in note 2.

**Revenue recognition**

The company recognises revenue as follows:

*Revenue from contracts with customers*

Revenue is recognised at an amount that reflects the consideration to which the company is expected to be entitled in exchange for transferring goods or services to a customer. For each contract with a customer, the company: identifies the contract with a customer; identifies the performance obligations in the contract; determines the transaction price which takes into account estimates of variable consideration and the time value of money; allocates the transaction price to the separate performance obligations on the basis of the relative stand-alone selling price of each distinct good or service to be delivered; and recognises revenue when or as each performance obligation is satisfied in a manner that depicts the transfer to the customer of the goods or services promised.

Variable consideration within the transaction price, if any, reflects concessions provided to the customer such as discounts, rebates and refunds, any potential bonuses receivable from the customer and any other contingent events. Such estimates are determined using either the 'expected value' or 'most likely amount' method. The measurement of variable consideration is subject to a constraining principle whereby revenue will only be recognised to the extent that it is highly probable that a significant reversal in the amount of cumulative revenue recognised will not occur. The measurement constraint continues until the uncertainty associated with the variable consideration is subsequently resolved. Amounts received that are subject to the constraining principle are recognised as a refund liability.

**Youturn Limited**  
**Notes to the financial statements**  
**30 June 2022**

**Note 1. Significant accounting policies (continued)**

*Sales revenue*

Events, fundraising and raffles are recognised when received or receivable.

*Donations*

Donations are recognised at the time the pledge is made.

*Grants*

Grant revenue is recognised in profit or loss when the company satisfies the performance obligations stated within the funding agreements.

If conditions are attached to the grant which must be satisfied before the company is eligible to retain the contribution, the grant will be recognised in the statement of financial position as a liability until those conditions are satisfied.

*Interest*

Interest revenue is recognised as interest accrues using the effective interest method. This is a method of calculating the amortised cost of a financial asset and allocating the interest income over the relevant period using the effective interest rate, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the net carrying amount of the financial asset.

*Other revenue*

Other revenue is recognised when it is received or when the right to receive payment is established.

*Volunteer services*

The company has elected not to recognise volunteer services as either revenue or other form of contribution received. As such, any related consumption or capitalisation of such resources received is also not recognised.

**Income tax**

As the company is a charitable institution in terms of subsection 50-5 of the Income Tax Assessment Act 1997, as amended, it is exempt from paying income tax.

**Current and non-current classification**

Assets and liabilities are presented in the statement of financial position based on current and non-current classification.

An asset is classified as current when: it is either expected to be realised or intended to be sold or consumed in the company's normal operating cycle; it is held primarily for the purpose of trading; it is expected to be realised within 12 months after the reporting period; or the asset is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least 12 months after the reporting period. All other assets are classified as non-current.

A liability is classified as current when: it is either expected to be settled in the company's normal operating cycle; it is held primarily for the purpose of trading; it is due to be settled within 12 months after the reporting period; or there is no unconditional right to defer the settlement of the liability for at least 12 months after the reporting period. All other liabilities are classified as non-current.

**Cash and cash equivalents**

Cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

**Trade and other receivables**

Other receivables are recognised at amortised cost, less any allowance for expected credit losses.

**Contract assets**

Contract assets are recognised when the company has transferred goods or services to the customer but where the company is yet to establish an unconditional right to consideration. Contract assets are treated as financial assets for impairment purposes.

**Youturn Limited**  
**Notes to the financial statements**  
**30 June 2022**

**Note 1. Significant accounting policies (continued)**

**Property, plant and equipment**

Plant and equipment is stated at historical cost less accumulated depreciation and impairment. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Depreciation is calculated on a straight-line basis to write off the net cost of each item of property, plant and equipment (excluding land) over their expected useful lives as follows:

Buildings	40 years or term of lease
Leasehold Improvements	2-15 years
Motor vehicles	5 years or term of lease
Computer equipment	4 to 5 years
Furniture & Equipment	5 years

The residual values, useful lives and depreciation methods are reviewed, and adjusted if appropriate, at each reporting date.

An item of property, plant and equipment is derecognised upon disposal or when there is no future economic benefit to the company. Gains and losses between the carrying amount and the disposal proceeds are taken to profit or loss.

**Right-of-use assets**

A right-of-use asset is recognised at the commencement date of a lease. The right-of-use asset is measured at cost, which comprises the initial amount of the lease liability, adjusted for, as applicable, any lease payments made at or before the commencement date net of any lease incentives received, any initial direct costs incurred, and, except where included in the cost of inventories, an estimate of costs expected to be incurred for dismantling and removing the underlying asset, and restoring the site or asset.

Right-of-use assets are depreciated on a straight-line basis over the unexpired period of the lease or the estimated useful life of the asset, whichever is the shorter. Where the company expects to obtain ownership of the leased asset at the end of the lease term, the depreciation is over its estimated useful life. Right-of use assets are subject to impairment or adjusted for any re-measurement of lease liabilities.

The company has elected not to recognise a right-of-use asset and corresponding lease liability for short-term leases with terms of 12 months or less and leases of low-value assets. Lease payments on these assets are expensed to profit or loss as incurred.

**Impairment of non-financial assets**

Non-financial assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount.

Recoverable amount is the higher of an asset's fair value less costs of disposal and value-in-use. The value-in-use is the present value of the estimated future cash flows relating to the asset using a pre-tax discount rate specific to the asset or cash-generating unit to which the asset belongs. Assets that do not have independent cash flows are grouped together to form a cash-generating unit.

**Trade and other payables**

These amounts represent liabilities for goods and services provided to the company prior to the end of the financial year and which are unpaid. Due to their short-term nature, they are measured at amortised cost and are not discounted. The amounts are unsecured and are usually paid within 30 days of recognition.

**Contract liabilities**

Contract liabilities represent the company's obligation to transfer goods or services to a customer and are recognised when a customer pays consideration, or when the company recognises a receivable to reflect its unconditional right to consideration (whichever is earlier) before the company has transferred the goods or services to the customer.

**Yoturn Limited**  
**Notes to the financial statements**  
**30 June 2022**

**Note 1. Significant accounting policies (continued)**

**Lease liabilities**

A lease liability is recognised at the commencement date of a lease. The lease liability is initially recognised at the present value of the lease payments to be made over the term of the lease, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the company's incremental borrowing rate. Lease payments comprise of fixed payments less any lease incentives receivable, variable lease payments that depend on an index or a rate, amounts expected to be paid under residual value guarantees, exercise price of a purchase option when the exercise of the option is reasonably certain to occur, and any anticipated termination penalties. The variable lease payments that do not depend on an index or a rate are expensed in the period in which they are incurred.

Lease liabilities are measured at amortised cost using the effective interest method. The carrying amounts are remeasured if there is a change in the following: future lease payments arising from a change in an index or a rate used; residual guarantee; lease term; certainty of a purchase option and termination penalties. When a lease liability is remeasured, an adjustment is made to the corresponding right-of-use asset, or to profit or loss if the carrying amount of the right-of-use asset is fully written down.

**Provisions**

Provisions are recognised when the company has a present (legal or constructive) obligation as a result of a past event, it is probable the company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation. The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the reporting date, taking into account the risks and uncertainties surrounding the obligation. If the time value of money is material, provisions are discounted using a current pre-tax rate specific to the liability. The increase in the provision resulting from the passage of time is recognised as a finance cost.

**Employee benefits**

*Short-term employee benefits*

Liabilities for wages and salaries, including non-monetary benefits, annual leave and long service leave expected to be settled wholly within 12 months of the reporting date are measured at the amounts expected to be paid when the liabilities are settled.

*Other long-term employee benefits*

The liability for annual leave and long service leave not expected to be settled within 12 months of the reporting date are measured at the present value of expected future payments to be made in respect of services provided by employees up to the reporting date using the projected unit credit method. Consideration is given to expected future wage and salary levels, experience of employee departures and periods of service. Expected future payments are discounted using market yields at the reporting date on national government bonds with terms to maturity and currency that match, as closely as possible, the estimated future cash outflows.

*Defined contribution superannuation expense*

Contributions to defined contribution superannuation plans are expensed in the period in which they are incurred.

**Fair value measurement**

When an asset or liability, financial or non-financial, is measured at fair value for recognition or disclosure purposes, the fair value is based on the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date; and assumes that the transaction will take place either: in the principal market; or in the absence of a principal market, in the most advantageous market.

Fair value is measured using the assumptions that market participants would use when pricing the asset or liability, assuming they act in their economic best interests. For non-financial assets, the fair value measurement is based on its highest and best use. Valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, are used, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

**Goods and Services Tax ('GST') and other similar taxes**

Revenues, expenses and assets are recognised net of the amount of associated GST, unless the GST incurred is not recoverable from the tax authority. In this case it is recognised as part of the cost of the acquisition of the asset or as part of the expense.

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the tax authority is included in other receivables or other payables in the statement of financial position.

**Youturn Limited**  
**Notes to the financial statements**  
**30 June 2022**

**Note 1. Significant accounting policies (continued)**

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to the tax authority, are presented as operating cash flows.

Commitments and contingencies are disclosed net of the amount of GST recoverable from, or payable to, the tax authority.

**Note 2. Critical accounting judgements, estimates and assumptions**

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts in the financial statements. Management continually evaluates its judgements and estimates in relation to assets, liabilities, contingent liabilities, revenue and expenses. Management bases its judgements, estimates and assumptions on historical experience and on other various factors, including expectations of future events, management believes to be reasonable under the circumstances. The resulting accounting judgements and estimates will seldom equal the related actual results. The judgements, estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities (refer to the respective notes) within the next financial year are discussed below.

*Coronavirus (COVID-19) pandemic*

Judgement has been exercised in considering the impacts that the Coronavirus (COVID-19) pandemic has had, or may have, on the company based on known information. This consideration extends to the nature of the products and services offered, customers, supply chain, staffing and geographic regions in which the company operates. Other than as addressed in specific notes, there does not currently appear to be either any significant impact upon the financial statements or any significant uncertainties with respect to events or conditions which may impact the company unfavourably as at the reporting date or subsequently as a result of the Coronavirus (COVID-19) pandemic.

*Estimation of useful lives of assets*

The company determines the estimated useful lives and related depreciation and amortisation charges for its property, plant and equipment and finite life intangible assets. The useful lives could change significantly as a result of technical innovations or some other event. The depreciation and amortisation charge will increase where the useful lives are less than previously estimated lives, or technically obsolete or non-strategic assets that have been abandoned or sold will be written off or written down.

*Impairment of non-financial assets other than goodwill and other indefinite life intangible assets*

The company assesses impairment of non-financial assets other than goodwill and other indefinite life intangible assets at each reporting date by evaluating conditions specific to the company and to the particular asset that may lead to impairment. If an impairment trigger exists, the recoverable amount of the asset is determined. This involves fair value less costs of disposal or value-in-use calculations, which incorporate a number of key estimates and assumptions.

*Employee benefits provision*

As discussed in note 1, the liability for employee benefits expected to be settled more than 12 months from the reporting date are recognised and measured at the present value of the estimated future cash flows to be made in respect of all employees at the reporting date. In determining the present value of the liability, estimates of attrition rates and pay increases through promotion and inflation have been taken into account.

*Allowance for expected credit losses*

The allowance for expected credit losses assessment requires a degree of estimation and judgement. It is based on the lifetime expected credit loss, grouped based on days overdue, and makes assumptions to allocate an overall expected credit loss rate for each group. These assumptions include recent experience and historical collection rates.

*Lease term*

The lease term is a significant component in the measurement of both the right-of-use asset and lease liability. Judgement is exercised in determining whether there is reasonable certainty that an option to extend the lease or purchase the underlying asset will be exercised, or an option to terminate the lease will not be exercised, when ascertaining the periods to be included in the lease term. In determining the lease term, all facts and circumstances that create an economical incentive to exercise an extension option, or not to exercise a termination option, are considered at the lease commencement date. Factors considered may include the importance of the asset to the company's operations; comparison of terms and conditions to prevailing market rates; incurrence of significant penalties; existence of significant leasehold improvements; and the costs and disruption to replace the asset. The company reassesses whether it is reasonably certain to exercise an extension option, or not exercise a termination option, if there is a significant event or significant change in circumstances.

**Youturn Limited**  
**Notes to the financial statements**  
**30 June 2022**

**Note 3. Revenue**

	<b>2022</b>	<b>2021</b>
	<b>\$</b>	<b>\$</b>
Grants	30,160,142	22,202,850

Less: Accumulated depreciation	<u>(383,015)</u>	<u>(493,771)</u>
	395,576	452,857
Plant and equipment - right-of-use	58,723	53,154
Less: Accumulated depreciation	<u>(33,466)</u>	<u>(18,341)</u>
	25,257	34,813
	<u>3,020,952</u>	<u>2,623,567</u>

Additions to the right-of-use assets during the year were \$ 1,050,413 (30 June 2021 \$ 759,509).

The company leases commercial properties under agreements of between one to five years with, in some cases, options to extend. The leases have various escalation clauses. On renewal, the terms of the leases are renegotiated. The company also leases plant and equipment and motor vehicles under agreements of between one to three years.

The company leases office equipment under agreements of less than two years. These leases are either short-term or low-value, so have been expensed as incurred and not capitalised as right-of-use assets.

**Youturn Limited**  
**Notes to the financial statements**  
**30 June 2022**

**Note 9. Non-current assets - property, plant and equipment**

	2022 \$	2021 \$
Buildings – at cost	2,159,637	4,328,550
Less: Accumulated depreciation	(773,908)	(2,903,032)

## INDEPENDENT AUDITOR'S REPORT

To the members of Youturn Limited

### Report on the Audit of the Financial Report

#### Opinion

We have audited the financial report of Youturn Limited (the Company), which comprises the statement of financial position as at 30 June 2022, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial report, including a summary of significant accounting policies, and the directors' declaration.

In our opinion the accompanying financial report of Youturn Limited, is in accordance with the *Corporations Act 2001* and Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012*, including:

- (i) Giving a true and fair view of the Company's financial position as at 30 June 2022 and of its financial performance for the year ended on that date; and
- (ii) Complying with Australian Accounting Standards - Reduced Disclosure Requirements, the *Corporations Regulations 2001* and Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012*.

#### Basis for opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the Financial Report* section of our report. We are independent of the Company in accordance with the *Corporations Act 2001*, Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001* and Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012*, which has been given to the directors of the Company, would be in the same terms if given to the directors as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Other information**

The directors are responsible for the other information. The other information obtained at the date of this auditor's report is information included in the Directors report, but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### **Responsibilities of the directors for the Financial Report**

The directors of the Company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards - Reduced Disclosure Requirements and the *Corporations Act 2001*, Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

#### **Auditor's responsibilities for the audit of the Financial Report**

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website (<http://www.auasb.gov.au/Home.aspx>) at:

[http://www.auasb.gov.au/auditors\\_responsibilities/ar4.pdf](http://www.auasb.gov.au/auditors_responsibilities/ar4.pdf)

This description forms part of our auditor's report.
